I am forwarding the last draft resolution agreement shared with HDOA.

Ex. 5 Deliberative Process (DP)

I reviewed my notes with respect to the last conversation with ADC on February 21, 2019; I noted ADC's reception to reviewing the draft resolution and the potential to cooperate with HDOA for the T6 requirements.

Hi Delanie-

Apologies for the delay. As discussed during our last call, we have put together the two options for moving forward with either the updated individual HDOA agreement or the newly proposed joint agreement. I will give you a call now just to confirm. Thanks!

Hi Delanie-

I just want to provide you with an update to inform you that we are still working on the draft, but I feel confident that I will be able to send you the document early next week. I will give you a call beforehand to highlight some of the proposed changes. We address everything that we recently discussed.

In addition, ECRCO is scheduled for a call this afternoon to talk to Andrew Goff regarding moving forward with an agreement, as we would like to reconcile both complaints at the same time. Andrew has asked for us to share the latest version of the agreement as a sample, but first I wanted to be able to share it with you and see if that is be okay with you.

When I reach out early next week I can debrief you on this afternoon's conversation. Please let me know if you have any concerns.

Thanks,
Brittany

Thanks Delanie! That name sounds familiar.

Also, if you could keep me posted about whether you are able to find any background information regarding Jeryl's question regarding HDOA's delegation history. If not, there should be folks here who may be able to provide some insight.

Thanks again.

Hi Delanie-

I just double checked. It would be 10:45 A.M. Hawaii time. I do not think outlook calculated it right from my end.

Does that still work for you?

Hi Delanie- As mentioned in my last email, I have briefed folks here on the most recent changes. The attached document includes a few additional comments which reflect those conversations. Please let me know if you have any availability on either this upcoming Monday or Tuesday after you have had a chance to take a look? I have included Jeryl Covington (technical lead) on this email as I would like her to be a part of our conversation as well.

Also, I wanted to give you the heads up that I have not heard back from ADC to date, so as a next step my management plans to reach out to move that effort forward. I believe they may try to contact the new Chairman. Thank you for all your help over the past several months with trying to assist with that effort.

Hi Brittany,

I'm so sorry you had to go through this whole government shut down fiasco – but I'm hoping it is almost at an end. Attached is the LAST DRAFT (with any luck at all). You will notice HDOA has a new chairperson – who doesn't know a thing about what this agreement : (I also replaced the citations to the Hawaii Session Laws with the newly codified statutes.

Here's hoping we can finally lay this thing to rest!!!
